

Best practice for managing COVID

at LOFTY COMMUNITY RADIO – 1/19 Crompton Rd Totness

MIC SOCKS

- Always use a clean and dry mic sock.
- Presenters are advised to buy their own mic sock and have a clean bag and a dirty bag to carry it to and from the station. Purchase a Rode WHS

HEADPHONES

- Bring your own headphones and jack
- Clean headphones after use at the station

PRACTICE PHYSICAL DISTANCING

- Keep 2m between you and other people
- Studio 1 - 4 people max
- Admin and Studio 2 room - 4 people max

CLEANING

- Treat every surface as potentially contaminated
- Wash your hands frequently
- Don't touch your face at the station
- Wipe down benches and surfaces with soapy cloth but do not use too much water and leave surfaces wet

STAY HOME

- Even if you're only slightly sick stay home
- If you or close family and friends have been travelling interstate or overseas
- If you have been in close contact with anyone who has been recently sick

The health and safety of our community is everyone's responsibility
