Football season in the Adelaide Hills

The Hills Football League season has arrived (April-September) which means it's time for Lofty 88.9 to kick some goals on Saturday afternoon from 2pm.

The initial partnership between the Hills Football League and Lofty Community Media commenced in 2018, when Lofty was also recognised with a Bilby Award for match day coverage.

The Call of the Wild commentary team are also Lofty Community Media volunteers/members and they call the action across the Adelaide Hills from 2pm until 5pm during the local football season (17 clubs/towns across the Hills region).

If you know a business, please suggest to them to come on board as a sponsor of Lofty.
